Children & Youth Protection Policy

Our church desires to provide a safe, nurturing environment for the children, youth, and developmentally disabled persons attending our church and also provide an atmosphere that results in spiritual and personal growth.

As a result, The HOUSE, Lake Stevens has adopted the following Recruitment Policy which is designed: 1) to protect our children, youth and developmentally disabled from abusers and molesters; 2) to protect our volunteer and paid staff from false allegations; and 3) to protect our church from legal liability. It applies to all volunteers and paid staff, regardless of job responsibilities.

Recruitment Procedures for Volunteers and Paid Staff

For simplification and clarification purposes the terms “child” or “Children” will be used to encompass everyone who fits into the categories of “children, youth (under 18 years of age), and developmentally disabled persons.”

The following procedures will be followed in recruiting volunteer and staff for any position involving access to children, youth or developmentally disabled persons:

Persons interested in working or volunteering to work in children’s or youth program will submit their name to the appropriate department coordinator/director or Pastor.

Each interested person must complete a Volunteer Application

The appropriate department coordinator/director (i.e. children/youth pastor) will at his/her discretion check all references (personal and church) and record information.

A Request For National Criminal History Information (Child Abuse Information Act) will be made.

When all references have been checked, the department coordinator/director will interview the applicant. (In some cases, another approved person will interview the applicant.)

In the process of hiring staff, additional information regarding past work experience may be requested, and the interviewing process may be different according to position.

The department director/pastor will determine whether or not the person will be approved. A minimum of 3 months for attendance at The HOUSE, Lake Stevens is required.

The department coordinator/director will notify the applicant whether or not he/she has been approved to work/volunteer at the church.

Address: 4109 103rd Ave SE Everett, WA 98258

Note: All information on youth and children's volunteers or paid staff, or those involved with developmentally disabled persons, will be kept strictly confidential and only released as otherwise noted in this application. Records will be secure and kept locked.

Note: No Minor should be alone with one adult on the church's premises or in any sponsored activity unless in a counseling situation

Note: If a background check reveals a prior sexual misconduct-related offense, that person will be permanently ineligible to volunteer to work with minors.

Note: No adult is to be alone with one minor except in a counseling situation.

I fully understand that the above policy must be withheld to ensure the quality of care and safety of the children and youth of The HOUSE, Lake Stevens. I have read and agree to everything stated in the above policy.
